

THERE IS NO LIFE WITHOUT.....WATER

HOW TO BUY \$WATER ON TRUST WALLET

1

Download TRUST WALLET for Android or iOS. If you already have one, make sure your app is up to date.

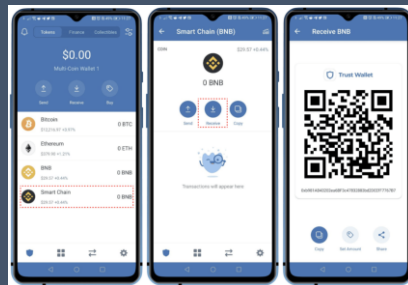

2

Buy BNB on Binance (or receive from another address) and withdraw to a BSC address.

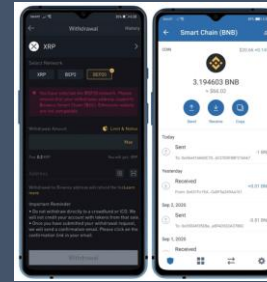

3

Search for Smart Chain and enable it On the app. Then, tap on Receive to see the address. Tap on Copy to save the address to the clipboard.

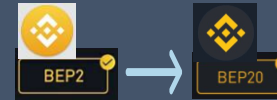

4

Deposit BNB (BEP20) from Binance to your Trust Wallet Smart Chain address.

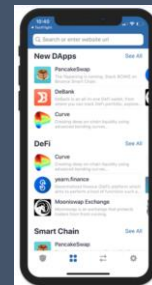

Binance US customers will have to withdraw BNB BEP2 into the Trust Wallet and then swap to BEP20.

5

Open the Dapp browser by pressing on the four squares at the bottom of the Trust Wallet and click on PancakeSwap

iOS users will have to enable Dapp browser first by opening Safari Browser and then type in `trust://browser_enable`, then tap on Go.

6

After connecting your wallet, add WATER token (beware of scams and double check the contract address):

[0x57f81252d1187754048f5af1938226b9034b599f](#)

7

SWAP BNB for WATER token
TIP: Set slippage to 11%

Congratulations!
You are now holding \$WATER.
